DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/22/04 has been entered.

Allowable Subject Matter

2. Claims 1-19 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 6, 11, and 16, the closest prior art of record issued to Matthews and Amano fails to teach or suggest a system and its corresponding method for performing events for related programs comprising maintaining a subset of program information for at least one related program of a given program, the program information for the at least one related program being maintained with program information for the given program in an information handling system; providing information on programs related to the at least one related program but otherwise unrelated to the given program except through the at least one related program, the information on programs related to the at least one related program being associated with the subset of program information for the at least one related program; and performing at least one program event for the given program and, based upon the subset of program information, the at least one related program for a computer readable medium and instructions using the same

method and system. As noted, Amano concerns to a system only associates programs that have the same, or common, genre relationship to one another, not to *providing information on programs related to the at least one related program but otherwise unrelated to the given program except through the at least one related program* as called herein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
